

**REMARKS**

The above changes to claim 5 and the addition of new claims 42 and 43 are supplemental to the amendment filed August 5, 2004. Claim 41 corresponds to claim 14 (now canceled) which was indicated in the Office Action of April 5, 2004 as rejected because it did not recite "in a slot" of the switch body. Claim 41 is identical to claim 14 with the exception that the term "in a slot" has been added to overcome the rejection under 35 U.S.C. 112. New claim 42 depends on claim 41 and corresponds to claim 33 which was also rejected under 35 U.S.C. 112.

The allowance of the remaining claims is respectfully requested in light of the discussion contained in the remarks portion of the Amendment filed August 5, 2004 which is incorporated herein by reference.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and
